Dear Sir/Madam

CADBURYS CRÈME EGGS

As a Cadbury crème egg eater I am writing to ask you to introduce a free range Cadburys crème egg please. I am a discerning consumer who cares about animal welfare and am not happy to purchase crème eggs in the knowledge they contain egg laid by caged hens.

I note from your website that Cadbury is keen to understand what makes an egg tick and set the 'goo' free and I would politely request that you turn your attention to setting the hens free rather than the goo.

I would be grateful for a response and look forward to hearing from you.

Yours faithfully
